

Open Day events at Wadham

There is no need to book for any of the events on our Open Day, just show up at the Welcome Desk on Parks Road in good time before the start of the event you would like to attend and one of our Student Ambassadors will be happy to direct you. If you are staying in College, feel free to make your way to the rooms yourselves ahead of the start time.

Current undergraduates will be offering short tours of the College throughout the day, including a look at our student accommodation.
