Alice Edwards (Spanish & Portuguese)	
Gabriella Emery (Classics and French)	
Daniel Farley (Chemistry)	
Dot Foster (English Lang & Lit)	
Max French (Mathematics)	
Imogen Front (Classics)	
Ellie Fullwood (History)	
Isabelle Gudi (French & German)	
Alex Hamilton-Meikle (Russian)	
Sulekha Harrish (Engineering)	
Ben Harvey (Biology)	
Adam Kavanagh (Chemistry)	
Ami Lavan (History)	
Justin Lim (Law)	
Callum Long (Engineering)	
Anisha Mace (Economics & Management)	
Laila March (French & Arabic)	
Andrei Maria (Maths & CompSci)	
Charlotte Mathe (Mathematics)	
Ella McCoy (Law)	
Jack McGeehan (Chemistry)	
Andy Morris (Law)	
Kate Morton (Chemistry)	

*Exhibitions reward not only consistency or hard work, but trajectories of self-development and intellectual excellence not always captured by instruments such as the timed examination – great potential for postgraduate research, for instance. By nominating exhibitions, we are making students aware that there are different kinds of assessment in place, for differing manifestations of academic potential as well as performance.*
