

Wadham Student Support Funds: Living Out Grant 2021/22

Any fee-paying Wadham students who have **not** been offered College-owned accommodation (including linguists living abroad but not other students out of residence) during the academic year are eligible to claim the grant for each year of such residence, the amount applicable during 2021/22 is £480 and is intended to cover three terms. The full years grant will be paid as a single payment at the start of the academic year net of any appropriate Michaelmas term battels and a portion will be deducted for any terms where the student is not on-course (for example, due to suspension).

Students who are living in or were offered rooms in Merifield, Iffley Road and Lathbury Road, and graduate students who are living in University owned accommodation and/or who are no longer paying fees, are NOT eligible. Exceptionally, 4th year D.Phil students may also claim provided they are in residence for at least the period from the Thursday of 0 week of Michaelmas Term to the Saturday of 8th week of Trinity Term.

Wadham Student Support Funds: Living Out Loan 2021/22

The College runs a Living Out Grant Scheme, see above for details, to help those **not** offered accommodation in College, Merifield, Lathbury Road, Iffley Road, or living at home, in recognition of their higher liability for rent. These grants are paid when battels fall due early in Michaelmas term.

The College recognizes, however, that down payments due on signing a lease in the preceding Hilary or Trinity terms, and rent payable over the long vacation, may also disrupt students' cash flow. To ease the problems of those who have difficulty in meeting such payments the College makes short-term loans available through the Wadham Student Support Fund: Living Out Loan.

The maximum loan is £600 (smaller loans of £100, £200, £300, £400 or £500 can be taken instead.) They will be advanced against evidence that a contract has been, or is to be, signed for privately rented accommodation and that the student qualifies for a Living Out Grant for the following academic year. Detailed evidence of need is not required.

Early in Michaelmas term, the students' battels will be adjusted both for the repayment of their loan and the crediting of the Living Out Grant. If you are encountering difficulty in repayment of this loan you should apply to the Domestic Bursar for a delay of the deadline for repayment of battels in the usual way. You may also apply to the Wadham Student Support Fund: Hardship under existing arrangements.

Those eligible to claim a grant or a loan are required to complete the attached form. This form may also be downloaded from the College website. Applications may be made at any time up to the end of May 2022 for academic year 2021/22. The form should be completed and returned to the Accommodation Officer as soon as possible.
