

## WADHAM VALUES

Wadham has a proud tradition of being at the forefront of advancing equality of opportunity, and celebrates vigorous debate, independent thought, and academic excellence. We seek to create a welcoming, accessible, and secure environment in which to work, study, live, and visit. Our community embraces people of all ages, backgrounds, races/ethnicities, nationalities, beliefs (including religious beliefs), genders, sexualities, dis/abilities, and appearances. This diversity, underpinned by mutual respect and consideration, enriches us all.

## WADHAM CONTACTS (2026-27)

The values set out above inform our principles of living in community, and our mutual concern for each other's welfare. The contact details which follow are for emergency and support services available to all, and for those people who have particular responsibilities in supporting the welfare of College members.
